

WILL'S CORNER

Dear ULC and LCM Members:

Now that fall classes have started at ASU, I'd like to welcome back returning LCM members and those who joined in August. On behalf of all ULC members, we wish you a very successful school year.

As of this last Council Meeting we have added a new secretary, Julie Hamaide. The Council members are:

Will Salz - President
Dick Shirley - Vice President
Julie Hamaide - Secretary
Art & Lynn Becker
Darren Gest
Ken Overturf
Nick Cota - LCM representative
Alex Kirvan - LCM representative

If anyone else has a passion to help this church community move forward, we welcome new members to the Council.

Currently we have three active committees:

1. Property co-chaired by Art Becker and Lori Zurcher which has been very active with tree trimming, getting bids for painting the Campus Center and Church trim, getting repairs made, installation of a handicap toilet in the church restroom, and getting prices for an AED (Automatic External Defibrillator).
2. Stewardship chaired by Ruth Wootten. They are looking at another Time and Talent campaign later this year. Ruth could use help.
3. Worship and Music chaired by me. Members of this committee are making sure we have ushers, communion assistances, lectors and altar care identified for each Sunday. Aiko Mancini takes care of the music portion.

We really need to get an Outreach and Parish Life committee going. This committee would reach out to those members who are unable to attend church, follow up on those who come occasionally to let them know they are missed, and

plan parish activities which include ULC and LCM members and friends. Again, if you have a passion for this, please contact me or any Council member.

Thank you everyone for supporting these activities, whether it be physical monetary or spiritual. We are a small church community; if we all pitch in, we can accomplish a lot.

Respectfully,
Will Salz, Council President
