

WILL'S CORNER

Dear ULC and LCM Members:

This is a quick update on the status of the AED (Automatic External Defibrillator) which was ordered about a month ago. Dave McCarter will bring it to the Campus Center on Sunday, April 8, to show the device to those interested, especially those wanting to be CPR trained.

I've been in contact with Desert CPR who will do training for \$25 per person. We are also looking at the possibility of someone from ASU School of Nursing who is certified. The training will be scheduled for sometime after April 8.

If you are looking to do something special during our Lenten Season, try being a Communion Assistant; an easy and rewarding job to help our church community.

Have you completed your Time and Talent form? That information is needed for future planning.

If you have any questions, please contact me or any Council member.

Respectfully,
Will Salz, Council President
