

WILL'S CORNER

Happy Valentine's Day to everyone!

I can't believe it's February already and we are about to celebrate the 66th Anniversary of the Official Organization Rites held at the VFW Hall, temporary location of the Lutheran Church of the Good Shepherd. Yes, that was the name of our church until 1990 when the name was changed to University Lutheran Church (ULC). In the mid-1970's the Campus Ministry was formed. Now you've had a brief history lesson of our church community.

Besides this bit of nostalgia, I couldn't think of anything new to write until one of our Council members gave me ideas at our recent Men's Breakfast.

Since the first of February this year we have set two records in relation to activities at ULC/LCM:

1. On Wednesday evening, February 6th at the 6:30 LCM Worship Service, there were more ULC members in attendance than LCM members (13-10).
2. At our Men's Breakfast on Saturday, February 9th, we had 10 attendees, the most since we started meeting at various restaurants in the "Valley". We try to solve all the world's problems without creating any. And, yes, they can be productive.

On Sunday, February 17th, our Property Committee meets to make a "to-do list" for our congregational work day on Saturday, February 23rd. All able-bodied persons are welcome to join in the fun on the 23rd.

For not knowing what to write, I did ramble on.

Again, Happy Valentine's Day.

Thank you all for your support.

Respectfully,

Will Salz, Council President
