

TROUBLE USING YOUR ARM AFTER STROKE?

JOIN OUR STUDY! →

We want people who...

- have moderate to severe arm disability
- are not pregnant
- speak English
- are over 18 years old

We will pay participants **\$150.**

WHO: ASU's START Rehabilitation Lab

WHAT: We study how START therapy helps you move after a stroke

WHERE: Three sessions at ASU campus, and three sessions at home over Zoom!

WHEN: 3 test sessions for 3-4 hrs, and 2 hr training sessions for 3 days

Contact for Stroke Study:

(480) 524-0174

jjjohn27@asu.edu

participation is voluntary
